## GIN & TONIC FEATURE

(One of life's great pleasures!!)

25ml 50ml Martini

- Bombay Sapphire, 40% (H)** £2.80 £5.60 £8.50  
At Bombay they vaporise the spirit, which is then passed through the botanicals, allowing full absorption resulting in the subtle taste sensation that is Bombay.
- Plymouth, 41.2%** £2.80 £5.60 £8.50  
The original base for the gin martini. Still hand crafted in the original Victorian copper-pot stills at England's oldest working gin distillery. Consistently used in the Savoy cocktail book.
- Tanqueray Export, 43.1%** £2.80 £5.60 £8.50  
Using unique quadruple distillation process, leaves a Clear distinctive zesty gin. A company steeped in history. This is the Export Strength version.
- Xoriguer, Mahon, Menorca, 38%** £2.80 £5.60 £8.50  
(pronounced sho-ri-goir) Produced from wine must. Tradition is paramount & techniques are still from the first production. Herbaceous and delicious.
- Brokers, London Dry, 47%** £3.50 £7.00 £10.50  
An extremely high quality gin using 10 botanicals and 100% English grain, Quadruple distilled. Blended to be dry...not unlike the British sense of humour. Presented in a humorous format (the bottle cap is a Bowler hat!!) but contains some serious ingredients.
- Citadelle, France, 44%** £3.50 £7.00 £10.50  
Using 19 botanicals from all 5 continents, making it a complex beast with spices in the forefront leading to a smooth citrus after-taste.

## GIN & TONIC FEATURE

(One of life's great pleasures!!)

**25ml 50ml Martini**

### **Hendricks, Scotland, 41.4% £3.50 £7.00 £10.50**

As well as the usual Juniper, Coriander and Citrus peel, Rose petals and Cucumber set it apart creating a unique and unexpected flavour. It's served with fresh Cucumber - odd, strange, different, NO - Individual!!

### **Martin Millers, London, 40% £3.50 £7.00 £10.50**

A floral and citrus nose inspires the mind to expect a smooth herbaceous, juniper and citrus taste. An unexpected smattering of violet with plenty of dryness.

### **2007 Blackwoods, Shetland 40% £3.50 £7.00 £10.50**

Made using hand-gathered rare, local and wild botanicals in the short summer of 2007 including Water Mint, Sea Pink, Elderflower, Angelica Root, Coriander, Violets, Meadow Sweet and of course Juniper. Seagreen hue leads a herby, floral, crisp, smooth taste.

### **Tanqueray 10, London, 47.3% £4.00 £8.00 £12.00**

Tanqueray use "old Tom" still from the 18th century. The only still to survive the air-raids during the 2nd world war. They produce a top quality gin "sublimely fresh" grapefruit, orange and lime mellowed by Camomile. Worth every penny...!?!?

### **Junipero, California, 49.3% £4.50 £9.00 £14.00**

This is the Rolls Royce of Gin. Its distinctive, intriguing and complex with a light, crisp and clean taste combining a deep and mysterious spiciness with subtle delicacy. Well worth trying. Amazing as a Martini with the VYA Vermouth which we use.
